CAPACITY

100

AGE RESTRICTIONS

The venue is strictly 18+, this applies to performers as well as patrons.

BACKSTAGE FACILITIES

Please note that there is no backstage area at the venue. We keep space for Merchandising, and cases etc can be stored here.

PARKING

Aside from load-in/out there is no parking outside the venue until 6.30pm. We advise parking nearby on Chambers St after load-in, and then parking outside the venue after 6.30 when soundchecks are complete.

LOAD-IN

Is either through front door, or direct to stage via side fire exit. We can provide crew at a cost to the artist, but usually find that the artists would prefer to save the cash.

CATERING

Where a buyout has been agreed, we advise eating the excellent food at Under The Stairs, nearby on Merchant Street. We get a discount of 15% there, so typically a hearty main meal will cost around £6. They cater well for vegetarians.

TECH SPEC:**D&B AUDIOTEKNIK:**

2 x C6 top with D12 amp
2 x C7 subs with P1200 amp
No problems creating >110dB at mix
