

**HIRE FEE:**

Hire is £75 (unless otherwise agreed). This covers Sound engineer and security, but not a cashier. Hire is paid directly to the sound engineer on the night.

CANCELLATIONS:

We require 2 days notice for a cancellation or else the full hire fee is payable.

TICKETS

We can sell tickets for you online. We can also send tickets to outlets (eg Ripping and Tickets Scotland).

We don't charge a fee for this, however we do it through ticketweb and they charge it costs 15p+VAT per ticket printed. There's a small charge for postage etc.

Typically we would print 40 tickets and mail them to outlets, costing £12 inc VAT.

If you don't want any tickets printed there is no charge, and we definitely recommend putting tickets online as it almost always boosts sales.

ADVERTISING:

Your listings, band photos, videos and bios will be put at www.sneakypetes.co.uk, where we receive around 4000 hits per month. The more information you give us the more we can put up.

We advise using Hanging Rock for indoor postering. They charge £40 per 200 A3 posters. Check www.hanging-rock.co.uk

ILLEGAL ADVERTISING:

By agreeing to a hire at Sneaky Pete's promoters agree not to illegally advertise, whether this be flyposting, chalking, or any other form of graffiti.

BACKSTAGE FACILITIES

Please note that there is no backstage area at the venue. We keep space for Merchandising, and cases etc can be stored here.

PARKING

Aside from load-in/out there is no parking outside the venue until 6.30pm. We advise parking nearby on Chambers St after load-in, and then parking outside the venue after 6.30 when soundchecks are complete.

LOAD-IN

Is either through front door, or direct to stage via side fire exit, very short trip and crew not required.
