

Gig hire information and agreement

Confirmation of a show at Sneaky Pete's implies agreement with the terms below. Please confirm receipt of this document when confirming your show.

Hire Fee

- Hire is £150, paid in advance via a payment link, unless you sell tickets through us.
- If we set up tickets for you, you don't have to pay the hire fee in advance. We will subtract the hire fee from the tickets sold and pay you the balance.
- We don't charge VAT on top, it's included in the price.
- We don't charge PRS on top, it's also included.
- The hire fee includes a sound engineer and security, but not a cashier.

Tickets

We prefer to set up tickets for you. You can send us your own link if you want, but our systems work better when we do it for you, and we can pay out next day, which is faster than you would be paid by using a ticket company yourself. We subtract the venue hire fee from the sales you make, keeping things tidy. Our ticket booking fees are reasonable and your customers won't pay more with us than is typical elsewhere. Our ticketing is linked to Songkick and Bandsintown etc, so fans can automatically be notified of your show.

To sell tickets through us, tell us:

- The face value ticket price you want (ie before booking fee)
- Your bank details:
 - Exact account holder's name
 - Account number
 - Sort code

We will send you a direct link to your ticket page. We will also send you a QR code to log in to Eventim Scan App, available from Apple and Google's App Stores. Use it to scan tickets. It's really fast. The QR code gives you specific access to your show only.

Cashier

Please bring someone to work the cash desk for you (or you can do it yourself, it's easy to do and the stage is not far away). If you can't find someone to do it, we can usually provide a member of staff for £40 if you give us a couple of week's notice.

Cancellations

We require 28 days notice for a cancellation or else the full hire fee will not be refunded. We will not be held financially liable for any cancellation or reschedule costs due to coronavirus-related issues or any issue we deem outside the venue's control.

Large bills

We prefer to have a maximum of 3 acts on a bill, and 2 quality popular acts is our preference. If you're considering a 4 or more band bill, let us know in advance and tell us why the bill has to be bigger.

Age Restrictions

The venue is 14+, those aged 14-17 must be accompanied by an adult, this applies to performers as well as patrons. You must tell us in advance if there is likely to be over 10% of patrons under 18 years of age. We reserve the right to breathalyse anyone under the age of 18. If they refuse or fail the test, they will not be granted entry.

Ticketing information must state: "14-17 year olds must be accompanied by an adult. No refunds will be given for incorrectly booked tickets. We reserve the right to breathalyse anyone under the age of 18. Refusal or failure of the test will result in entry being denied".

Listings

We will list your show at sneakypetes.co.uk, where we receive around 5000 hits per month. The more information you give us the more we can put up, and if you send info nice and early then we may be able to add it to magazine listings too. We recommend that you also list your event on Facebook. We don't need to be a host on the event, but you can send a link to it and we'll add it to our page.

Posters

We recommend using [Hanging Rock](#) for poster print and distribution (they do both). They charge £80 for 100 posters. Get in touch through the blue link above.

Illegal Advertising

You must not illegally advertise eg. street flyposting, chalking, or any other form of graffiti.

Workplace behaviour

We require a professional and positive environment for our staff, the artists and ticket buyers. Any staff, performers or crew using racist, sexist, aggressive, abusive, transphobic, homophobic or otherwise offensive or intimidating language or behaviour will be removed and replaced at no cost to the venue. This especially includes staff who interact with artists, who deserve professional and friendly conduct in their workplace.

Backline We do not supply any amps or drums sorry. We can help with hires if you need.

Backstage Facilities
